TESTIMONIALS - I studied like this!

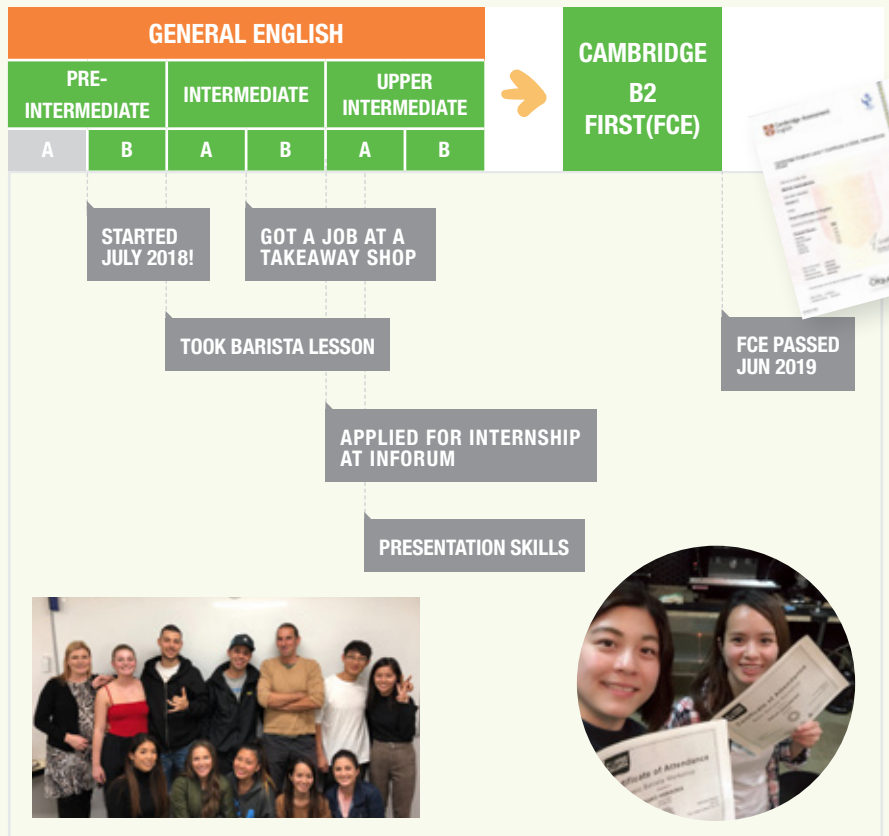

MIZUKI
FROM JAPAN

**52 WEEKS
STARTED AT
PRE-INTERMEDIATE B,
AND ACHIEVED FCE PASS.**

I am a shy person so until Intermediate A level, I didn't make an effort to make friends other than Japanese but my job at a local restaurant and internship at Inforum changed me and I was able to speak to anyone without hesitation, or being shy.

The FCE class was very special. At the beginning I felt everyone was better than I was, but all my classmates (from Czech Rep, Korea, Japan, Hungary and Italy) all had the same goal to pass and we helped each other, and we had a very strong connection.

PATHWAYS

More than 100 students have used an Inforum pathway to study at one of our college or university partners!

1. Take Inforum's placement test in your own home - it's free and we'll get the results to you within 24 business hours.
2. At the same time, we'll also tell you how many weeks of English study you'll need.
3. Enrol at Inforum and study hard! Our teachers will check your progress every week to make sure you're on the right path! Easy!

For example...

YOU WANT TO STUDY A DIPLOMA OF INFORMATION TECHNOLOGY:

HECTOR
FROM BRAZIL

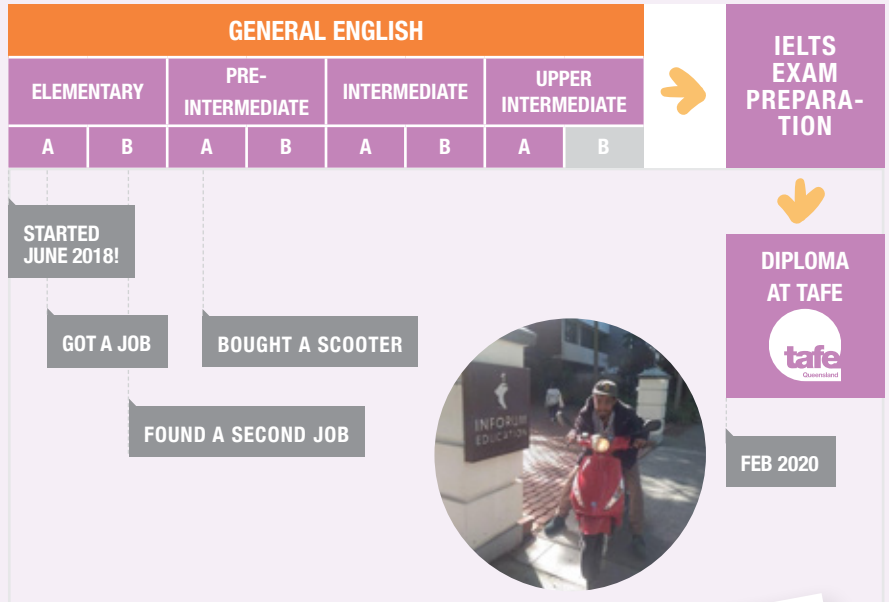

72 WEEKS
STARTED AT BEGINNER,
ACHIEVED IELTS 6.0
AND BUILDER'S COURSE
AT TAFE.

I started in Elementary and couldn't say anything in English but in my second week at Inforum, I managed to find a job working at the Miami Marketta.

I found the Workshops very useful. I joined Work Ready to write my resume, cover letter and learn interview skills.

Inforum has given me confidence and the opportunity to make friends from different parts of the world.

I have travelled to Sydney, Melbourne, and Byron

Byron Bay but still find the Gold Coast the best place to live in Australia. I love surfing in the morning and going to class afterwards.

On my one day off I take it to relax and work as an Uber Eats deliverer.

I'm using Inforum's pathway program, and will start a Diploma of Building at Tafe.

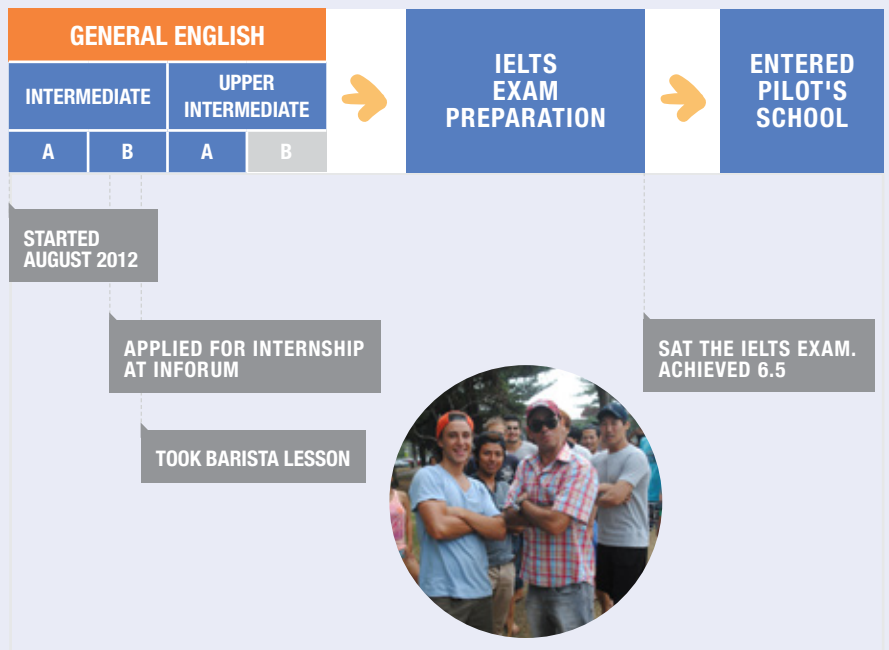

QUENTIN
FROM FRANCE

32 WEEKS
STARTED AT INTERMEDIATE A,
ACHIEVED IELTS 5.5 AND
ENTERED PILOT'S SCHOOL.

My dream has always been to fly so I needed an English college that I was sure would give me the best chance to achieve it – at Inforum Education, I found the perfect school.

I started in the Intermediate class and studied for eight months. Inforum's teachers were terrific and very knowledgeable so I always felt confident about what I was learning. We studied a lot of vocabulary and grammar and did plenty of exam practice but we also did interesting and practical things like presentations and group work with my classmates, who were from many different countries. I reached my goal of IELTS 6.5 and entered pilot training in New Zealand!!
