Real Exam Experience

Get comfortable with the PTE interface using software that simulates the actual exam.

Collaborative Learning

Stay motivated and engaged by working together in a supportive environment.

Smart Technology

Use online tools, apps, and interactive resources to keep learning outside of class.

Student Activites

We invest in creating student experiences!

Using language in the classroom has its limitations. That's why we create experiences for our students to get out in the world and use what they've learned!

Put your English skills to work while exploring the city in one of our exploration challenges, including visits to the Melbourne Night Market, Moomba Festival, National Gallery of Victoria and more.

We also host a variety of events to create an incredible student experience such as cultural days, talent performances, student parties, markets and more.

Our students are also welcome to attend any event at our **Academy of Sustainable Business & Innovation**, including networking events and industry professional guest speakers covering a wide range of areas in business and life.

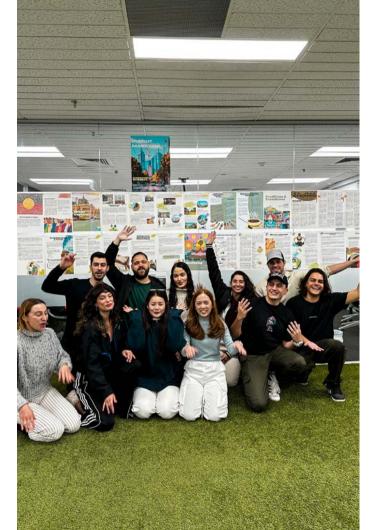

Insight Vagazine

By Students, For Students

Insight Magazine is a project designed to reflect the diverse perspectives and creativity of our class while creating engaging and creative content. This project is designed to help you develop your English skills in a real-world context while fostering teamwork, critical thinking, and problem-solving abilities.

Every student will contribute as a writer, but you will also take on additional roles essential to the magazine's success. These roles range from editing and design to marketing and event planning. Work collaboratively as a team and gain hands-on experience, developing skills that are valuable in both academic and professional settings.

Through this project, you will learn to manage tasks, meet deadlines, and produce high-quality content. By the end of the project, you will have created a full issue of a magazine you can be proud of and have gained valuable experience in the process.

Bonus Support

Upskill yourself with our complementary sessions and coaching programs every week. These aren't just extra-curricular activities, these are designed specifically to support you in practical ways outside of the classroom to help you navigate life and language.

Welcome to Melbourne

Café Culture • European-Style City • Yarra River Safe & Clean • Live Music • Work Opportunities Fantastic Restaurants • Designer Shopping Vibrant Nightlife • Beautiful Beaches

Besides being consistently ranked as the most liveable city in the world, Melbourne is also Australia's style capital and is home to some of the best food, dining, bars and live music in the world. It is one of Australia's top destinations for international students and is a truly multicultural city.

Melbourne is a welcoming, outgoing, and confident city in terms of its people's generosity and inclusiveness. This spirit embraces change while honouring heritage; celebrates diversity while sharing a common sense of place and pride; and aspires to a prosperous, lively and peaceful future. Melbourne's free and open nature allows people to be themselves and find places where they are accepted and welcome.

Come to Australia Meet the World

Our home is in Australia, and we love it! This country offers so many unique experiences and places to discover. The Aussie lifestyle is the world's envy, and with such a diverse population, there is something for everyone. Australia is known for its diversity and multiculturalism, landscapes, tropical islands, the rugged outback as well as its cities each with their own unique culture and personality.

The country offers diversity, multiculturalism, affordability, quality of life, and employment opportunities to hundreds of thousands of international students every year! The world's best minds are some of these former international students.

Why wouldn't you want to study with some of the best minds in the world?!
