# Accommodation

At IH San Diego we offer two types of accommodation.

## Homestay

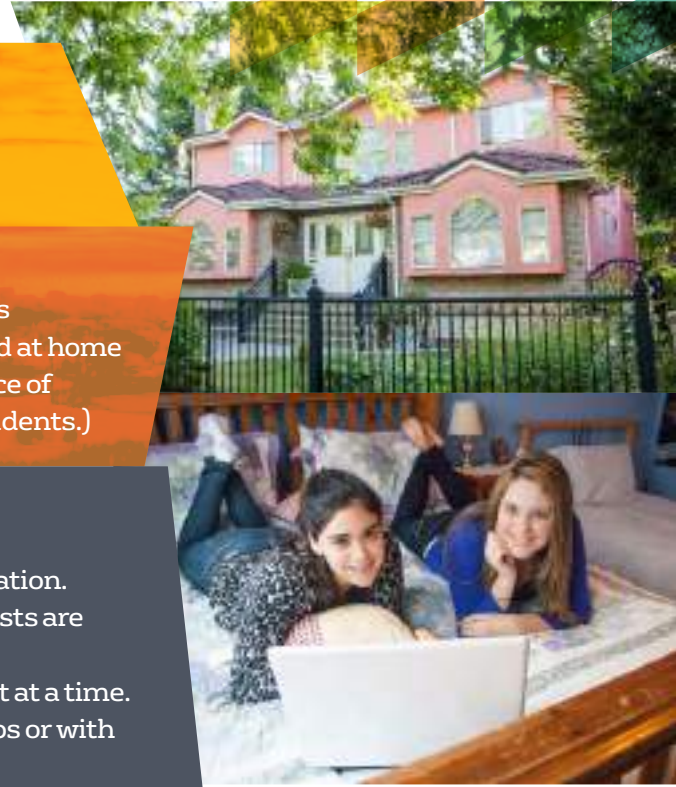

We take special care when choosing homestays to host our students as we know how important it is for our students to feel at home.

### What Homestay Offers:

- Non-stop opportunities for students to improve their language skills
- Carefully selected families who will make students feel welcome and at home
- Two meals a day provided by the host family and included in the price of the accommodation. (Full board homestay is included for junior students.)

### Keep in Mind

- The distance between a student's homestay and our school varies, but no homestay is more than 50 minutes away by public transportation.
- A homestay family is not always two parents and children: Many hosts are couples or single people.  
Please also note that some families may host more than one student at a time.
- Double placements are only available for students traveling in groups or with a friend. We cannot match roommates.

## Student Residence

VANTAGGIO STATE ST. is a budget-friendly student residence in downtown 'Little Italy', a charming community with picturesque sidewalk cafés and numerous authentic Italian restaurants.

Students staying at Vantaggio can reach IH San Diego in just a 10 minute walk. Students have the option to book a private small or a large room, or to be matched with a roommate and share a room.
